Product Features

✓ BRITA's All-Rounder with innovative filtration technology: 150 litres of fresh filtered water in 4 weeks with just one cartridge, fitting in standard fridge doors, BPA-free and dishwasher-safe (except digital indicator)

✓ Features a spout cover protecting your filtered water from dust and other impurities in the kitchen.

✓ Trust the innovative MAXTRA PRO 4-stage filtration with activated carbon and ion-exchanger pearls: pure and fresh water, full aroma in your coffee and tea and reliable limescale protection.

Replacement and ongoing costs

Replace the cartridge at least every 4 weeks. Water quality and consumption can require earlier replacement.

Example refill price: MAXTRA PRO All-in-1, 3 cartridges for £14.95 at Harts of Stur (about £4.98 per cartridge). Delivery extra where applicable. Prices vary.
